October 2016

Dear Parent/Carer

Home Economics

Over the course of this school year students in Years 7 & 8 will have Home Economics lessons which will take place on a fortnightly basis.

The ingredients for the lessons are purchased by school and in previous years a 50p contribution was requested if your child was taking food home with them.

To ensure that we can continue to provide a rich and full curriculum we would like to ask that you pay £15 which will cover all projects and food practicals for this year.

Please log onto SIMS Agora to make your payment. If you would like a copy of your unique activation code please email simsagora@bentsgreen.sheffield.sch.uk stating your child's name and year group or contact a member of the school admin team. If you require any assistance with setting up your account please contact Christine Carnall, Phase 3 Year Team Support.

We would be grateful if payment could be made by Friday 21 October.

Thank you for your help and support with this matter.

Yours sincerely

Amanda Costello
Headteacher
