Parent Communication Questionnaire

At the last parents evening we asked you to complete a questionnaire in order for us to review our methods of communication and delivery of information between the school and parents. We received a good response to our communication questionnaire, thank you to those who took the time to complete this.

We have collated and analysed the information and the results are attached. **They show that the majority of parents would prefer a paper copy of letters and information to be sent once a week and would find it useful to receive a weekly bulletin.** Therefore we will endeavour to send all letters and information home every Thursday with the students. We will also send a paper copy and email version of our weekly parent bulletin which will contain upcoming events, diary dates and trip information.

On our school website you can access copies of all our letters and information as well as the school calendar which shows key dates and information.

If you have any queries please contact the school office.

Yours sincerely

A handwritten signature in black ink, appearing to read 'A J Costello'.
