Dear Parents / Carers

After half term, your child's timetable may change slightly. Please see the grid below to see when their PE lessons are timetabled so that they can bring appropriate kit. You will notice there is a session that is highlighted for each tutor group, identifying that this session is to be an outdoor session. This session will be outside regardless of the weather and will require students to bring appropriate clothing. The reason for this outdoor session has 2 main benefits:

- 1) PE groups can be kept smaller to improve the learning of our students
- 2) Students will develop life skills requiring them to remember and prepare appropriately for this session.

Please see below a list of kit required for PE, with a suggested list of additional kit that can be brought into school (and left in school if necessary) for outdoor sessions:

PE Kit	Additional Outdoor Wear
T-Shirt	Jumper or Fleece
Shorts or Track-suit Bottoms	Tracksuit bottoms (instead of shorts)
Socks	Hat and gloves
Trainers (that can get dirty)	Rain Jacket or warm coat

Bents Green Kit Policy states that PE Kit can be any make / brand but must be different to the clothes they come to school in. For the additional outdoor clothing above, I would also advise that it is clothing you would not mind getting dirty.
