Dear Parent/Carer

Food Technology Contributions

Over the course of this school year students will take part in Home Economics/Food Technology lessons on a weekly basis.

The ingredients for the lessons are purchased by school and to ensure that we can continue to provide a rich and full curriculum we would like to ask that you contribute a sum of £15 which will cover all projects and food practicals for this year.

Please make your payment of £15 via our online payments system, SIMS Agora, by Friday 29 September 2017.

Thank you for your help and support with this matter.

Yours sincerely
