September 2017

Dear Parents / Carers

Homework

We would like to keep our records up to date and also remind you that homework is optional at Bents Green School. The nature of any homework given is dependent upon student need and parent/carer recommendation.

To find suggestions for homework please see the 'Parents' section of the school website where you will find suggested learning activities to support your child with academic work as well as with the development of independence skills.

Meanwhile, we would appreciate your input on whether you want your child to receive specific homework from school and how frequently.

Please can you provide a response on the slip below by Friday 29 September.

Many thanks for helping us to update our records.

Yours sincerely,

Bridie Reidy
Assistant Headteacher Phase 3

Andrew Hinchliffe
Assistant Headteacher Phase 4
