Welcome to Bents Green
Specialist Secondary School

Parents' Evening

Wednesday 8 November 2017

5.00pm - 7.00pm

Welcome to the first Parents' Evening of the year, and one which we hope you will find both enjoyable and helpful. In addition to the opportunity to meet with your child's teacher and support team, we are delighted that some key partners of the school are also going to be present. I hope you take the opportunity to make yourself known to them, as many offer support to you and your child as they move into adulthood. We know that they are eager to share with you information about themselves and what they can do, so please take this opportunity to leave school with at least one fact you didn't know before! As always, whilst the evening is about talking to the tutor team about your child and seeking the answers you need, school is always here to listen. Please get in touch at any time should the need arise and don't forget to register your opinion about the school at:

<http://parentview.ofsted.gov.uk>

Enjoy your evening!
